Items on the repair order, such as sublet labor or sublet work, are subject to the guarantee of those suppliers. This warranty shall only apply if the defects occurred under normal driving conditions and not where any vehicle has been subjected to accidents, negligence, and abuse or misuse.

Specifically excluded from this limited warranty is rust coming through the metal, scratches and gravel marks acquired from driving conditions.

Maintenance: This warranty shall not cover components due to lack of cleaning, waxing, or proper maintenance.

Parts: Mechanical parts are guaranteed the length provided by the manufacturer and supplier.

Painting, stripes and decals: Provided warranty on painting related priming and painting work against solvent blistering, peeling, hazing and excessive loss of pigmentation; and a one (1) year warranty on the applications and adhesion of decorative stripes and decals, excluding defects which are caused by extreme environmental conditions to which the vehicle may be exposed.

Specifically Excluded are incidental costs, such as towing fees, car rental charges, travel expenses or assemblies and components which are not specifically covered by this limited warranty, nor are consequential damages such as damage to other assemblies and components resulting from a defective part or installation of such part installed or repaired during the repair included in the limited warranty.
